Hello,

The Saints Youth Baseball Organization is a nonprofit organization that was established in 2012 to develop youth baseball players and to field competitive youth baseball teams. The Saints Youth Baseball teams consist of players from the Greater Baton Rouge area. Our goal is to teach baseball fundamentals, promote good sportsmanship, and instill winning attitudes in our players.

Our baseball teams compete annually in local youth baseball leagues and USSSA sanctioned tournaments. In past seasons, Saints baseball teams have won league championships and tournament championships. For the 2018 spring/summer seasons, the Saints baseball organization will field teams in the 4u/5u tee-ball, 6u, 7u, 8u, 9u, 10u, and 11u age groups.

In order to continue to grow and remain a viable organization we must receive the dedication of our parents and receive financial support from the business community. Please help us in continuing our commitment to developing these eager and dedicated young baseball players by making a donation today. Your generous contributions will go a long way in helping the organization to purchase uniforms, purchase and maintain equipment, maintain fields, purchase insurance and assist in many other ways.

In appreciation of your Sponsorship, we have designed 2 levels of contributions. Please select the category that suits you best:

**Green Level** – a donation of \$250 - \$499, contributor's sponsorship will be listed on our website and your company's logo will be placed on our team banners which will be displayed at all tournaments and will receive a team plaque at the end of the season.

**Gold Level** – a donation of \$500 and up will receive "Green Level" benefits PLUS receive a coach's jersey.

Please remit desired donation along with the attached Sponsor Registration Form to the person that supplied you with this document or you can mail it to the address listed on the attached form.

Thank you in advance for your consideration and support of the Saints Youth Baseball Organization.

Sincerely,  
Saints Youth Baseball Organization
